Electoral Roll Report 2026

"And the Lord added to their number daily those who were being saved"
Acts 2:47

Membership on the electoral roll of M&Ms for the year 2026 stands at 52.

Like all chaplaincies in our Diocese, and indeed in the national church, last year we were required to renew the electoral roll entirely. The old roll was scrapped and we began afresh. That resulted in an increase from 24 to 38. This year, we were only required to update the roll produced in 2025.

Since last year, three people who were on the roll have left Belgium. 17 new people signed up. Some are new arrivals to Belgium or to M&Ms, and some are people who have been baptised or turned 16 in the past 12 months. The process was made very smooth thanks to the possibility of signing up through an online form linked to ChurchSuite with the link shared by WhatsApp and in the newsletter. A heartfelt thanks to Kayla Meeking for kindly providing for this possibility. 16 people took the opportunity to sign up online and one on paper.

The changes in the electoral roll represent, like last year, a net increase of 14. This is a 37% increase from last year (38); membership of the electoral roll has more than doubled (116% increase) over the past two years.

Sincere thanks to everyone who has signed up. The quotation at the start of this report is the same one that Jesu chose for last year's report. It continues to be true! God continues to bless M&Ms with so many new members of so many different nationalities and backgrounds. Let us give thanks and pray for our dynamic, diverse, welcoming community.
